

KIPP SUMMIT ACADEMY

MISSION

KIPP Summit Academy students, families, and staff prepare every child to go to and through college and lead choice-filled lives. KIPP Summit is a team and family defined by a growth mindset, self-reflection, and mutual respect. Through teamwork and academic excellence, KIPP Summit students become passionate readers and critical thinkers who realize their highest potential to benefit themselves, their families, and their community.

OUR APPROACH

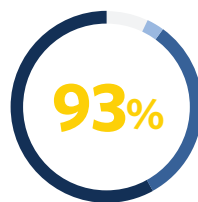

KIPP Summit Academy has created a small, personalized learning environment for its students. A relatively small student body allows the school to create a cohesive school culture, where all students and families know and feel a sense of belonging. KIPP Summit is committed to developing poised, confident, articulate leaders who will use their education and life experiences to create positive change in their own lives, within their communities, and among our global society. The school's mission and values drive everything at KIPP Summit, from the culture to the academic program. Students take charge of their own learning by participating in class, listening to teachers and teammates in a respectful manner, and asking questions if they do not understand. KIPP Summit has an extended school year and longer daily schedule. Students arrive by 7:25 a.m. daily and stay until between 4 p.m. - 5 p.m. as needed.

KIPP SUMMIT ACADEMY

KIPP Summit Academy is a public charter school in San Lorenzo committed to providing an equitable and excellent education to the students in our community. Through a close partnership between staff, students and families, we are proud to consistently grow in student achievement over the years earning a National Blue Ribbon School Award in 2015. KIPP Summit staff are focused on putting students' academic and socio-emotional development needs first. KIPP Summit does not select its students, does not require admissions exams, and does not discriminate against students who receive special education or bilingual services. We are determined to provide an excellent educational experience for every one of our "KIPPsters" so that he or she is set up to be successful in high school and then goes to and through college.

**As measured by the Smarter Balanced Assessment Consortium (SBAC)*

KIPP THROUGH COLLEGE

KIPP Through College ensures that all students and alumni have the skills and resources they need to navigate to and through college into self-sufficient adulthood. Services include: financial literacy workshops and college savings accounts for all students; college advising for eleventh and twelfth graders; alumni advising for KIPPsters in college; and career readiness programming and support.

The mission of KIPP Bay Area Schools is to operate high-achieving public schools in educationally underserved communities, developing in our students the knowledge, skills and character essential to thrive in college, shape their futures, and positively impact the world. There are currently 11 KIPP schools in the Bay Area. In these schools, nearly 4,700 students are being prepared for success in college and the competitive world beyond. These tuition-free, college-preparatory schools are located in the educationally underserved neighborhoods of Oakland, San Francisco, San Lorenzo, San Jose, and Redwood City.
